
Introduced by Senator Chesbro

February 19, 2003

An act to amend Section 2401 of the Business and Professions Code, relating to healing arts.

LEGISLATIVE COUNSEL'S DIGEST

SB 376, as introduced, Chesbro. Healing arts.

Existing law, the Medical Practice Act, restricts the employment of licensed physicians and surgeons and podiatrists by a corporation or other artificial legal entity, subject to specified exemptions.

This bill would exempt a public hospital, as defined, from these restrictions on the employment of licensed physicians and surgeons and podiatrists, provided that the public hospital does not interfere with, control, or otherwise direct the professional judgment of a physician and surgeon.

Vote: majority. Appropriation: no. Fiscal committee: no. State-mandated local program: no.
